1. WELCOME MESSAGE & COMPANY OVERVIEW

Welcome to KnowledgeOS Enterprise! Whether you are joining us as a software engineer, product designer, data scientist, operational specialist, or enterprise strategist, your presence strengthens our mission to power the world's most intelligent enterprise decision engines.

Founded in 2018, KnowledgeOS Enterprise has grown from a visionary team of AI researchers into a industry leader in enterprise knowledge intelligence, neural workflow automation, and distributed cognitive analytics. Our solutions enable Fortune 500 organizations to transform unstructured operational data into real-time executable insights.

Leadership Note

"At KnowledgeOS, we believe that world-class technology is built by empowered, collaborative, and diverse teams operating with absolute integrity and psychological safety. This handbook outlines our shared commitments, professional expectations, and mutual accountability."

2. MISSION, VISION & CORE VALUES

Our Mission

To organize enterprise knowledge into continuous intelligence, enabling teams worldwide to make faster, smarter, and ethical decisions.

Our Vision

To serve as the default cognitive architecture for modern global enterprises, setting the gold standard for secure, reliable, and human-centric artificial intelligence.

Core Operating Values

- **Obsessive Customer Focus:** We measure our success solely through the transformative value and security we deliver to our customers.
- **Radical Ownership & Integrity:** We take total responsibility for outcomes, communicate transparently, and maintain uncompromising ethical standards.
- **Continuous Innovation:** We challenge assumptions, experiment boldly, and continuously refine our products, processes, and personal skills.
- **Inclusive Excellence:** We cultivate a culture where diverse perspectives drive superior innovation and every employee feels valued and respected.

3. EMPLOYMENT POLICIES & CLASSIFICATIONS

KnowledgeOS Enterprise complies with all applicable federal, state, and international labor laws. Employment relationships with KnowledgeOS Enterprise are on an "at-will" basis (where permissible by jurisdiction), meaning either the employee or the company may terminate employment at any time with or without cause.

Employee Classifications

Classification	Definition	Benefits Eligibility
Full-Time Regular	Employees scheduled to work at least 35 hours per week on a permanent basis.	Full Benefits Package
Part-Time Regular	Employees scheduled to work fewer than 35 hours per week.	Pro-rated Benefits
Contract/ Temporary	Individuals engaged for specific short-term projects or defined durations.	Ineligible for standard benefits

4. WORKING HOURS & FLEXIBLE WORK FRAMEWORK

Standard operating hours for KnowledgeOS Enterprise facilities are Monday through Friday, 8:30 AM to 5:30 PM local time. However, acknowledging our global workforce and project-driven work style, KnowledgeOS operates under a flexible core-hours model.

- **Core Collaboration Hours:** 10:00 AM to 3:00 PM local time. All full-time employees are expected to be accessible for meetings and real-time collaboration during these hours.
- **Remote & Hybrid Options:** Eligible roles may operate under a Hybrid (2-3 days in office) or Fully Remote arrangement subject to Vice President approval and security compliance validation.

5. ATTENDANCE POLICY & TIME TRACKING

Punctuality and consistent attendance are vital to team effectiveness. Employees are expected to report to work, log into collaboration channels, and attend scheduled meetings on time.

If an unexpected absence or delay occurs due to illness or emergency, employees must notify their direct manager via company communications (Slack/Email) at least 30 minutes prior to their scheduled start time or meeting.

6. LEAVE SUMMARY & TIME-OFF FRAMEWORK

KnowledgeOS Enterprise believes that rest and personal well-being are fundamental to long-term performance. We provide a comprehensive suite of leave categories.

Leave Type	Annual Allowance	Accrual & Carryover Rules
Paid Time Off (PTO)	20 Days / Year	Accrues monthly; up to 5 days may carry over into Q1 of the following year.
Sick & Wellness Leave	10 Days / Year	Available from Day 1; medical certificate required for absences > 3 consecutive days.
Parental Leave	16 Weeks Paid	Eligible after 6 months of continuous service for birth, adoption, or surrogacy.
Bereavement Leave	5 Days Paid	Granted for immediate family members; 3 days for extended family.
Public Holidays	11 Standard Days	Varies by country/region of primary employment contract.

7. CODE OF CONDUCT & WORKPLACE ETHICS

KnowledgeOS Enterprise maintains an uncompromising commitment to ethical business practices. All employees must act as responsible stewards of company property, reputation, and client trust.

Key Ethical Standards

- **Conflict of Interest:** Employees must avoid any activity, investment, or association that interferes with their ability to make objective decisions in the best interest of KnowledgeOS. Any outside employment or consulting must be pre-approved by Legal and HR.
- **Gifts and Hospitality:** Accepting cash, gifts, or entertainment exceeding \$100 in value from vendors, clients, or partners is strictly prohibited without written approval from the Chief Compliance Officer.
- **Insider Information:** Misuse or unauthorized disclosure of non-public enterprise financial data or trade secrets is strictly illegal and ground for immediate termination.

8. ANTI-HARASSMENT & NON-DISCRIMINATION POLICY

KnowledgeOS Enterprise is an Equal Opportunity Employer. We strictly prohibit harassment, discrimination, or bullying based on race, color, religion, sex, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, or veteran status.

Zero Tolerance Policy

KnowledgeOS Enterprise enforces a zero-tolerance policy against sexual harassment, verbal abuse, cyberbullying, or retaliation. Any employee found to have engaged in unlawful discrimination or harassment will be subject to immediate disciplinary action, up to and including immediate termination.

Reporting Procedure

1. **Report:** Submit a confidential report to your direct supervisor, People Operations (HR), or via our anonymous compliance hotline (compliance@knowledgeos.io).
2. **Investigation:** HR and Legal will initiate an impartial investigation within 24 hours of notification.
3. **Resolution & Protection:** Action will be taken immediately based on findings. Strict anti-retaliation policies safeguard whistleblowers.

9. DRESS CODE, PERFORMANCE REVIEWS & SAFETY

Dress Code Policy

KnowledgeOS Enterprise maintains a **Smart Casual** dress code. Employees attending formal external client briefings, investor summits, or industry conferences are expected to dress in business formal attire.

Performance Evaluation Framework

We drive professional growth through a continuous feedback culture:

- **Quarterly OKR Reviews:** Aligning individual accomplishments with department Objectives and Key Results.
- **Bi-Annual Performance Evaluations:** Comprehensive 360-degree reviews evaluating competency, cultural contribution, and leadership readiness.

Health, Safety & Ergonomics

We are dedicated to providing a safe, healthy, and ergonomically sound workspace. All injuries or safety hazards must be reported immediately to the Operations team. Remote employees are provided an annual workstation ergonomic stipend (\$500 USD equivalent).

10. IT USAGE GUIDELINES, CONFIDENTIALITY & CONTACT INFO

IT & Cybersecurity Policy

- **Device Security:** Multi-Factor Authentication (MFA) and drive encryption must remain enabled on all company-issued devices at all times.
- **Data Protection:** Customer data and proprietary AI models must never be copied onto unauthorized personal hardware, external drives, or unvetted third-party AI tools.
- **Software Installation:** Installing unauthorized software or browser extensions without IT Security approval is strictly prohibited.

Confidentiality & Intellectual Property

All intellectual property, software code, algorithm models, designs, customer lists, and business strategies developed during your employment remain the sole property of KnowledgeOS Enterprise. Confidentiality obligations remain binding post-employment.
